Disclaimer of Warranty

All Federal-Mogul products are warranted to be of a merchantable quality, fit for the purpose or which they are supplied; in the case of the products listed in this catalogue, that purpose is used as detailed on the vehicles described, under the operating conditions appropriate to those vehicles.

It is important that the recommendations we state are strictly adhered to.

All friction materials listed in this catalogue are produced in asbestos free materials but the worn products being replaced could contain asbestos, it is still recommended that the following instructions are complied with:

1. Machining of friction material should be carried out using dust extraction equipment approved for use with asbestos.
2. When fitting brake components use appropriate dust extraction equipment, liquid or a damp cloth to remove dust. Dampen all dust and dispose of waste in heavy gauge plastic sacks in accordance with legislative requirements.
3. Operate in a well ventilated place and avoid creating dust.

If in doubt advice should be sought from Federal-Mogul.
